

# The Justin B. Weaver

## Scholarship for the Trades Color Run/Walk

May 18, 2019 • Nystrom's Park Thomaston

### Sponsorship Opportunities

Dear Prospective Sponsor:

In June, 2017, we tragically lost our nineteen-year-old son, Justin, who was pursuing his dream to become an underwater welder. To honor his memory, The Justin B. Weaver Scholarship Foundation, a nonprofit 501(c)(3) organization, was formed to support another student with this shared dream: an education and career in the trades.

The funds raised through this campaign—and the first annual 5K color run—will support a trade school scholarship for a Waterbury or Thomaston resident and 2016-2019 graduate pursuing certification in the trades.

This year's campaign goal is \$2500.00 with additional funds going towards substance abuse awareness, an issue plaguing many families in all communities.

We ask for your support in making Justin's dream a reality for another deserving young man or woman and appreciate your consideration.

Tricia and Ron Weaver, The Justin B. Weaver Scholarship Fund

**Corporate sponsor:** company logo on the back of runner and volunteer tee-shirts, on web site and along race route.

**Gold level Sponsors: \$500**

**Silver Level Sponsors \$300**
