

TRUE COLORS TRADE RUN

May 30, 2020 • Nystrom's Park, Thomaston

Justin B. Weaver Scholarship for the Trades

Dear Prospective Sponsor:

In June 2018, we tragically lost our nineteen-year-old son, Justin, who was pursuing his dream to become an underwater welder. To honor his memory, The Justin B. Weaver Scholarship Foundation, a nonprofit 501(c)(3) organization, was formed to support another student with this shared dream: an education and career in the trades.

The funds raised through this campaign—and the second annual 5K color run—will support two trade school scholarships for a high school student and a postgraduate currently enrolled in the trades program, who is a resident of The Greater Waterbury Area.

This year's campaign goal is \$4,000 with additional funds going towards substance abuse awareness, an issue plaguing many families in communities near and far in Connecticut.

We ask for your support in making Justin's dream a reality for another deserving young man or woman and we truly appreciate your consideration.

Sincerely,

Tricia and Ron Weaver, The Justin B. Weaver Scholarship Fund

Sponsorship
